Direct Digital Capture

Artwork, Prints, Slides, & Sculpture		
\$50	flat work 20 x 30 or smaller	100 mb
\$75	sculpture / works requiring special handling	

We use a high resolution digital camera to photograph artwork, prints, 35mm slides, photographs, and sculpture. The resulting master files are color matched to the original and saved to CD. Derivative files, such as cmyk tifs or internet jpegs, can also be created from the master files as needed.

Photography

We combine over 20 years of photography experience with cutting-edge digital expertise to create images that inspire. A portfolio of our work is available on our website.
